INFORMATION

Concerning *the* Patriotic Society "Daughters of *the* Revolution"

The General Society was founded October 11, 1890,—and organized August 20, 1891,—under the name of "Daughters of the American Revolution"; was incorporated under the laws of the State of New York as an organization national in its work and purpose. Some of the members of this organization becoming dissatisfied with the terms of entrance, withdrew from it and, in 1891, formed under the slightly differing name "Daughters of the Revolution," eligibility to which from the moment of its existence has been *lineal* descent from an ancestor who rendered patriotic service during the War of Independence.

"*The* North Carolina Society"

a subdivision of the General Society, was organized in October, 1896, and has continued to promote the purposes of its institution and to observe the Constitution and By-Laws.

Membership and Qualifications

Any woman shall be eligible who is above the age of eighteen years of good character, and a *lineal* descendant of an ancestor who (1) was a signer of the Declaration of Independence, a member of the Continental Congress, Legislature or General Court, of any of the Colonies or States; or (2) rendered civil, military or naval service under the authority of any of the thirteen Colonies, or of the Continental Congress; or (3) by service rendered during the War of the Revolution became liable to the penalty of treason against the government of Great Britain: *Provided*, that such ancestor always remained loyal to the cause of American independence.

The chief work of the North Carolina Society for the past eight years has been the publication of the "North Carolina Booklet," a quarterly publication of great events in North Carolina history—Colonial and Revolutionary. \$1.00 per year. It will continue to extend its work and to spread the knowledge of its History and Biography in other States.

This Society has its headquarters in Raleigh, N. C., Room 411, Carolina Trust Company Building, 232 Fayetteville Street.
